

Healthcare Network Member

xxx, UK

xxx

Apply on company website

xxx is the world's insight network. xxx Clients rely on our global team to connect with powerful insight across fields from our network of approximately one million experts (and the hundreds of new experts we recruit every day).

Our exclusive network of executives and industry experts share insights and get access to unique benefits, events, and opportunities and are called on when a client request matches their individual expertise.

xxx Experts are not xxx employees. Experts participate in xxx Projects while working full-time in their industry or in retirement and participation in any xxx Project is always at the expert's discretion.

We are looking for experts in the Healthcare industry to speak with xxx Clients for 30-60 minutes, paid at a rate of their choosing.

Opportunities to work with us range from surveys to phone consultations.

xxx serves thousands of the world's best businesses, from Fortune 500 corporations to leading technology companies to professional services firms and financial [institutions](#);

our industry-leading compliance framework allows our clients to learn in a structured, auditable, and transparent way, consistent with their own internal compliance obligations and the highest professional ethical standards.

Area Manager (Luton Area)

XXX Road, Luton

XXX GB

Apply on company website

Summary

£58,000 up to £80,000 per annum - This isn't starting a new job. This is starting a new journey.

Location : Luton and surrounding areas

As we move into the next stage of our growth, we are seeking xxx future leaders. As an Area Manager at xxx, you will lead 3-6 stores in your area, ensuring that they are performing at their best.

To learn the business inside out, all of our Area Managers start as trainees, experiencing xxx as Customer Assistants, Shift Managers, Deputy Store Managers and Store Managers, to achieve an unmatched level of insight and understanding of the challenges your team and our stores face.

Our Area Managers are the sort to roll up their sleeves and get stuck in, visible leaders who can run the numbers as well as they can motivate a team.

Store Managers rely on Area Managers, looking to them for direction, strategy and leadership.

If you are keen to get stuck in, a motivating leader and thrive on being challenged and having high levels of responsibility, find out more below and apply for a career a xxx less ordinary.
